

QUOCKERWODGER MEDIA

Vancouver's independent lens on live music — the photography, the shows, and the culture around the city's stages.

Quockerwodger Media is an independent Vancouver publication built to **document and preserve the city's live-music and nightlife culture** — through concert photography, show reviews, and coverage of the rooms and artists that define the scene.

EDITORIAL INDEPENDENCE

Editorial coverage is independent and **never for sale**. Sponsorships and sponsored content are always clearly labelled. Payment never influences our reviews or which shows we cover, and photography services are sold separately from editorial coverage.
